PUBLICATIONS LIST

HOW TO ORDER COPIES OF COMMITTEE HEARINGS, REPORTS, AND COMMITTEE PRINTS

The Special Committee on Aging, under the direction of its Chairman, publishes committee prints, reports, and transcriptions of its hearings each year. These documents are listed chronologically by year, beginning with reports and committee prints, and followed by hearings.

Copies of committee hearings and reports are available from the committee and from the Government Printing Office. The date of publication and the number of copies you would like generally determine which office you should contact in requesting a publication.

The following are guidelines for ordering copies of committee publications:

—Single copies of publications printed after January 1988 can be obtained from the committee.

—Any publication printed before January 1988 should be ordered from the Government Printing Office.

—If you would like more than one copy of a publication, they should be ordered from the Government Printing Office.

*If the committee supply has been exhausted—as indicated by one asterisk—contact the Government Printing Office for a copy of the publication. If all supplies have been exhausted—contact your local Federal "Depository Library," which should have received a printed or microformed copy of the publication.

While a single copy of a publication is available, free of charge, from the committee, the Government Printing Office charges for publications.
